Job description:

- Teaching anatomy, functional anatomy and kinesiology courses, including courses conducted in English.
- Participation in research activities conducted by the Department.
- Preparation of independent research projects.
- Participation in administrative and organizational matters of the Department of Fundamentals of Physiotherapy and the Faculty of Rehabilitation.

The competition is open to persons who meet the conditions set out in Articles 113 and 116(2), Article 118 et al. of the Act of 20 July 2018 Law on Higher Education and Science (i.e. Journal of Laws of 2022, item 574, as amended) and the following eligibility criteria:

Our requirements:

1. Completed a Master's degree in Physiotherapy or Medicine.
2. English language proficiency at least at a B2 level.
Documented advanced English proficiency sufficient to conduct lectures, tutorials, seminars, and other university activities.
3. Scientific achievements in the field of Medical and Health Sciences in the form of:
 - a. participation in research projects, or
 - b. scientific publications, or
 - c. active participation in a scientific conference.
4. Completed and documented courses in anatomy and physiotherapy.
5. Experience in teaching anatomical subjects or an internship in this field.

Scope of duties:

- Conducting teaching activities within programmes offered by the Faculty of Rehabilitation, including anatomy, functional anatomy and kinesiology courses, also delivered in English.
- Preparing and conducting lectures, classes, consultations and practical sessions in accordance with study programmes.
- Participation in scientific and research activities carried out by the Department.
- Initiating, developing and implementing independent research projects.
- Participation in administrative, organizational and committee work at the Department and Faculty levels.
- Participation in the development and improvement of curricula and teaching materials.
- Supporting students, including mentoring and tutoring activities.

Candidates applying for the post should send or submit to the Dean's Office of the Faculty of Rehabilitation at the University of Physical Education in Warsaw, 00–968 Warsaw, ul. Marymoncka 34, in a sealed envelope (envelope without personal details, marked 'competition for the post of research and teaching assistant 1 at the Department of Fundamentals of Physiotherapy) the following documents:

Documents required for recruitment:

1. Application for employment addressed to the Rector of the Józef Piłsudski University of Physical Education in Warsaw.
2. Curriculum vitae detailing professional and academic career and professional development in accordance with the EUROPAS template (<http://europass.cedefop.europa.eu/pl/home>).
3. Personal questionnaire (https://www.awf.edu.pl/_data/assets/word_doc/0007/28186/Kwestionariusz-dla-osoby-ubiegajacej-sie-o-zatrudnienie.doc).
4. A copy of the Master's degree certificate in the aforementioned fields of study and a copy of the PhD degree certificate.
5. A declaration stating that, should the candidate be successful in the competition and employed at the University of Physical Education in Warsaw (AWF Warsaw), this institution will be their primary place of work, and that the candidate will submit a statement confirming that their academic output will be attributed to the organisational unit of AWF Warsaw and counted towards the institution's staffing quota.
6. A copy of the certificates confirming completion of the required courses.
7. A statement that the candidate: has not been subject to a disciplinary penalty as referred to in Article 276(1)(7) and (8) of the Law on Higher Education and Science, possesses full legal capacity, enjoys full public rights, and has not been convicted by a final judgment for an intentional criminal offence or an intentional fiscal offence.
8. A document or statement confirming proficiency in English at B2 level – proficiency levels according to the Council of Europe (<https://www.etutor.pl/help/advancement-levels>).
9. Documents proving that the candidate possesses other skills and qualifications useful in research, teaching and organisational work (certificates, ID cards, diplomas, attestations, etc.).
10. Consent form for the processing of personal data in accordance with the template used by AWF Warsaw.

Due to the need to process the personal data of candidates applying for employment at AWF Warsaw, a prerequisite for entering the recruitment process is the inclusion of a signed Consent Form for the processing of personal data (together with the attached information clause) in accordance with the template in use at AWF Warsaw.
